## Architectural Finishes

Interior Design  
Commercial Interiors  
Residential Interiors  
Inspirational Spaces  
Feature Walls

Architectural finishes can be applied to a wide variety of surfaces and can instantly transform any space and allow infinite creativity. Many finishes can be used and can drastically reduce the final cost of an interior design project.

With hundreds of finishes available from warm embossed wood finishes through to industrial metal and concrete simulations the design freedom and possibilities will maximise any interior design projects.

Architectural finishes are ideal for any interior from residential and commercial through to retail, offices, education and health settings.
