part of the **Think Signs** group

Solar Graphics (GB) Ltd is committed to minimising the impact of it's activities on the environment.

The key points of its strategy to achieve this are :

- ✿ Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- ✿ Minimise emissions through the selection and use of our fleet and its efficient use through pre-planning routes and monitoring via satellite tracking.
- ✿ Actively promote recycling both internally and amongst our customers and suppliers.
- ✿ Actively promote greener modes of commuting to work by providing dedicated internal cycle parking facilities.
- ✿ Meet or exceed all the environmental legislation that relates to the company.

As a company we are committed to constantly review and implement working procedures to :

- ✿ Conserve raw materials.
- ✿ Reduce pollution.
- ✿ Save energy.

As a company we ensure where possible :

- ✿ All paper used is of a recycled content.
- ✿ We operate recycling of all paper, card, cans and plastic waste.
- ✿ Office cleaners use green cleaning products.
- ✿ All unused electrical items are switched off when not in use.
- ✿ All lights are switched off at night.
- ✿ All ink cartridges are recycled.
